Dear Tom,

We are writing to express our appreciation for your important contribution to Northeastern Illinois University's Learn & Lead Symposium, February 2014. Your session sparked discussion, raised awareness, and deepened your colleagues' understanding of issues important to our students and our university community.

Overall, the symposium was a success: 261 people attended sessions, including roughly one fourth of all tenured/tenure-track faculty, one fifth of all staff members, and nearly one third of all A&P/ASPs at Northeastern. Your presentation helped to attract this large group of dedicated employees.

Thank you for your expertise and your time, and thank you for making Northeastern a better place to work, to learn, and to lead.

Sincerely,

Sharon K. Hahs
President
