In response to the four (4) questions:

What was the most important thing you learned today?	How will you apply what you learned today?	What feedback would you offer the instructor?	What would you change about this session?
Potential areas for copyright infringement.	Minimize the risk of voluntary copyright.	Excellent presentation.	Adding samples of what NOT to do.
Very specific information regarding copyright law pertaining to material commonly used in course of teaching.	In preparing my lectures and additional resource material.	Session was very informative and enjoyable-good dynamic and knowledgeable speaker.	Nothing.
PANE criteria	Good guidelines to help me as I supervise adjuncts.		
What is fair use and how to assess whether I am using material within the framework of fair use laws.	We are looking for materials to help our adjuncts and other faculty look for materials they can use under fair use.	Nice style.	I really liked the quizzes where we had to judge what was or was not allowed to do. More discussion on real life scenarios.
PANE, and the concept that a link or an embedded	Reviewing my teaching material for copyright.	Good energy.	Nothing.
