Copyright Unlocked for Faculty Members

In the complex world of regulations and exceptions, faculty members often question the use of copyrighted materials for teaching; Tobin expounds upon copyright concepts in plain-language, offering best practices, rules of thumb, and real life examples.

Academic Integrity for Future Medical Professionals

The primary approach to academic integrity on most campuses is “catching cheaters.” From this presentation, you’ll learn seven specific strategies that Palmer and its faculty members can implement within the next ten days to help increase campus-wide academic honesty (and, yes, still catch those cheaters).

12:00 pm Lunch ~ Student Union
