Open-ended feedback:

- Dr. Tobin was excellent as always. Highly recommend him as a speaker and presenter!
- Fantastic!
- Great session, there were three of us in attendance.
- I didn't get to hear the entire presentation, but what I did hear was very helpful.
- Relevant and informative presentation. Engaging also.
- The speaker was wonderful! Thanks for a great keynote!
- This was the BEST copyright presentation I've ever heard. Normally I leave a copyright session still not clear. The use of PANE took away a lot of the guesswork. I've heard of Creative Commons, but didn't understand the various versions. This could be a topic on its own. Great engagement with the polling questions. Thank you so much.
- Very well presented with specific information. I loved that even with all the specific info, there were easier take-aways like the flowchart for easy referencing. Great job! Thank you.
- Would have loved to see him virtually.
