1. This session’s information will be useful to me in my job (and/or my personal life).
2. The description matched what I experienced in the session.
3. The facilitator demonstrated good presentation skills.
4. Over all, this was a good session.

Open-ended feedback:

- Got me to thinking more about this topic.
- Very well planned, enjoyable, good information that reinforces what I already do (and gives me some new ideas).
- This was a good workshop. Maybe focus more time on what we can do to stop or prevent cheating rather than the scare factors.
- The session was better than the description! I like the idea with trust (empowering trust means a lot)!
- I loved your PowerPoints in both sessions!
- Simple recommendation, when asking us to give a guess on the % of something, give us multiple choice just to facilitate discussion.
