Probably too much of the time spent on review, but material was good.

Very well-presented and interactive, but not a lot of new information.

Level of info seemed perfectly pitched to where most of us are

good clarification of licenses and permissions and cc

Started slow but it got very interesting as the session went on!

Excellent resources

The information presented was helpful and timely

Helpful information that I can use myself and with colleagues.

Very relevant information for me, that will help me do my job better!

very knowledgable, great examples and info

clear examples

This has been so engaging, interesting, relevent. Far, far more than I expected!

Tom REALLY knows his stuff which allows him to be engaging PLUS very responsive to the students.

Tom is great and makes these complex issues and terms very easy to understand.

Presented in a way that was easy to understand. Not a lot of legaleeze as sometimes is presented in these types of trainings.

great job!
