- Professor Tobin’s lecture yesterday in our Faculty was great. He started his lecture punctually. He was very prepared and motivated to keep his lecture. He has the ability to develop relationships with his audience. He always kept the eye contact. He has excellent communication skills, verbal and non-verbal. He has a good sense of humor: I liked it very much. I think it is very important. There is a saying that “a teacher is only as good as his knowledge is.” His personality characteristics are very kind. I had the feeling that he is dedicated to teaching and his work. He has a very good, decent, likable personality. He is a born gentleman.
