What are your general comments about this session?

- Again, one of the guiding principles of online teaching /learning.
- Dr. Tobin provided some good online concepts to implement this Spring semester.
- Great practical information for teachers on-line teaching. We need more of this!
- Great Presentation.
- He has so many great ideas it is hard to utilize them all at one time. Therefore, to hear him again even if new material there is a lot to learn.
- Tobin has great ideas and I know I will incorporate some this semester.
- Very useful.
