

Please indicate your level of agreement with the following statements.

1. This keynote's information will be useful to me in my work.
2. The description matched what I experienced in the keynote.
3. The speaker demonstrated good presentation skills.
4. Over all, this was a good keynote.

**5. In a few words, share your over-all impression of this session:**

- A very appropriate and useful start to today's professional development day
- Awesome. Learned a lot. Had fun.
- Clearly presented with good examples
- Dr. Tobin raised many wonderful points concerning interaction with students and how to effectively offer accessibility to all students.
- Engaging, energizing, enlightening
- Everything was incredible, thank you so much!
- Excellent - informative, engaging.
- Excellent information, thank you!
- Excellent!
- Fantastic. Energizing and affirming.
- Good information and demonstration of practices discussed
- Great information for all the campus constituencies.
- Great Session!
- Great speaker
- Great springboard for change at NSCC and to keep in mind as we plan and bring in new leadership. A great philosophy to embed in all we do.
- I loved everything, thank you!
- I think many good tips for incorporating UDL were suggested. However, I would really like the speaker to consider amplifying disability rather than suggesting we forget about it for a bit.
- I thought it was helpful and informative, and as a peer tutor, I enjoyed the opportunity to submit ideas with all other staff and faculty. It was helpful to see a lot of the things I have felt as a student and some of the students I work with feel, be

acknowledged and I hope we build a better environment access wise for everybody. We have a lot of amazing, and smart students who feel isolated, or overwhelmed by the traditional learning styles.

- I thought it was very informative and provided practical information that I can begin to implement in my next class.
- Informative
- Inspiring!
- It was amazing, It gave students a chance to speak!
- Loved the practical tips. Still feel a bit overwhelmed. I have a lot of improvements to make.
- Powerful, engaging, thought provoking
- Really enjoyed this presentation... excellent information!
- Session was incredibly engaging and informative! Feel like it was very relevant for both staff and faculty.
- The content was great, but I learned the most from the presentational style of the presenter. A real pleasure to be part of a Zoom with well integrated and thought out audience connection.
- The session was very interesting, and brought forward many good ideas for helping our students. Thank you.
- The sessions helped consolidate information about UDL practices.
- This was great, so much more to barriers that affect learners and looking forward to implementing some changes.
- This was so helpful! I wish we could have more of this with more frequency.
- Thought provoking and energizing.
- Truly excellent and foundational to the work we need to be doing together.
- Very informative.
- Very inspiring. Confirmed our need to explore methods to keep up the academic rigor and expectations, while providing multiple methods to lower many of the barriers that prevent student success and engagement. Importance of universal design and access for all. Thank you!!
- Very positive approach to asking for change. A+
- Well done presentation!
- Wonderful information and techniques to implement moving forward.
- Wonderful!
