“Engaging, well researched, and accessible. The ‘UDL in 20 minutes, 20 days, and 20 months’ exercises are an especially interesting framework for the planning and implementation of UDL on campus.”

—Joseph W. Madaus, University of Connecticut

“Practical and rich with strategies, this book will leave educators understanding why UDL is important for their community to adopt and how to get started implementing so that all learners can achieve high learning outcomes.”

—Allison Posey, Center for Applied Special Technology
